Schuetz, Parks and Beautification Manager, and Michele Jones, Administrative Assistant. Absent: Committee Members Margie Willis, Mitzi Marckesano and Ronald Bovello.

CALL TO ORDER

Pattie Robinson called the meeting to order at 4:08 p.m.

PLEDGE OF ALLEGIANCE:

Ms. Robinson led the Pledge of Allegiance to the Flag and a roll call was taken by Ms. Jones.

AGENDA ITEM #1: Minutes of September 24, 2019 Meeting

A motion was made by Debbie Hughes to approve the minutes with a second by Piper Smith. The motion was carried unanimously.

AGENDA ITEM #2: Beautification Awards

Pattie Robinson gave an update and said that her and Margie Willis took some pictures of homes that will be presented at next month's board meeting when Ms. Willis is in.

AGENDA ITEM #3: Beecher Village Park

J.B. Schuetz gave an update on Beecher Village Park that is located on Suntrust Drive off Veronica Shoemaker Boulevard. Mr. Schuetz said that they are working with Jenn Robinson on a Kaboom project that is for a \$15,000 grant, that along with city funding, would go toward a playground that should begin this spring.

AGENDA ITEM #4: Forum Park

Mr. Schuetz gave an update on Forum Park that is currently on hold due to plans falling through. Mr. Schuetz said that the City Manager is now in negotiation to trade some property to expand the original footprint of the property. Committee Members discussed where the entrance to the Park will be and what amenities are planned for the project.

AGENDA ITEM #5: Coronado Park

Mr. Schuetz gave an update on Coronado Park that is currently going through deviations with permitting due to the buffer zone and working with Wright Construction on cutting down building costs.

AGENDA ITEM #6: Other Business

Mr. Schuetz discussed the landscaping at the Jackson Parking Garage (Jackson and Main Street) where FPL is worried about the power poles due to the parallel parking along the street. Mr. Schuetz showed pictures of where trees have been removed for FPL can move the power poles to the other side of the sidewalk. Board Members discussed the recommended trees from the FPL brochure "Plant the Right Tree in the Right Place" along with some slow growing Palms that could be planted. Board Members agreed that the Spanish Stopper and the Silver Buttonwood would be a great choice depending on availability and prefer them over palms. Ms. Hughes stated that she prefers the Spanish Stopper but that it could be hard to find. Mr. Schuetz said he will check on the availability of both and get back with them at the next meeting.

MINUTES – BEAUTIFICATION ADVISORY BOARD

January 28, 2020

2 | Page

Ms. Robinson discussed the beautification needs of the city, with some of the properties needing to be demolished and help needed with littering in the streets. Mr. Schuetz said that the City Manager has a Committee primarily of Community Development, Code Enforcement, Public Works, and Parks that can give you an update on where we were a year ago and what has been done. Mr. Schuetz discussed the different programs (Adopt A Road, Adopt A Canal, Adopt A Cemetery, Adopt A Median, and Keep Lee County Beautiful) that help the City in trash pickup, mangrove cleanup, and beautifying the City. Board Members discussed the City's Adopt A Road Program, how it works, and what the signup process is.

Mr. Schuetz informed the Board Members that the Carissa Garden Club provided funding for programs at the STARS Complex and that Amber Smith who is the Programs Coordinator has been working on a gardening project for the young students coming in.
