

General Details

Procurement Types

The City of Fort Myers utilizes a four-tiered procurement threshold process:

Level 1: Department may procure with any responsible supplier via p-card or requisition process.

- Goods, equipment and non-professional services between \$0.00 and \$10,000
- Professional Services between \$0.00 and \$50,000

Level 2: Department must provide a minimum of two (2) quotes from responsible suppliers using the requisition process.

- Goods, equipment and non-professional services between \$10,000 and \$50,000
- Professional Services between \$50,000 and 100,000

Level 3: Procurement staff will obtain quotes.

- Goods, equipment and non-professional services between \$50,000 and \$100,000

Level 4: Formal Competitive Solicitation Process and City Council Approval

- All goods and services in excess of \$100,000

Procurement Services' Mission

Procurement Services is the centralized authority responsible for the procurement of and contracting for supplies, goods, equipment, contractual services, professional and consultant services, capital improvements and construction and/or any combination of goods and services at the best value, with fairness and integrity on behalf of the City of Fort Myers, City Council, City Manager, Staff and citizens.

The City of Fort Myers will follow sound and prudent business practices, promote full and equitable economic participation of all segments of the business community, and follow the strictest ethical standards when procuring commodities and contractual services.

Procurement Services' mission is to foster and support a Culture of Excellence throughout the City by providing superior goods and services through effective, innovative and strategic procurement and contract management. Procurement Staff is committed to exemplary customer service, professionalism, impartiality, transparency and achieving the best value for the City within the parameters of the law.
