**Cleveland Grove Utility Improvement Project**

This project is scheduled to replace sanitary sewer and water main, install storm drainage improvements and regrade swales on Turner Street, Patrick Avenue and Kentucky Avenue. The project also includes new sidewalks on the west side of Turner Street, the north side of Patrick Avenue, the east side of Kentucky Avenue and roadway resurfacing.

**Construction remains active on Kentucky Avenue, Turner Street and Patrick Avenue.**

Crews are working in and near the roadways. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering / exiting streets in the project area. Flaggers will be onsite during normal work hours to assist motorists through the construction zone. This schedule is subject to change due to inclement weather and unforeseen underground conditions. The project is expected to be completed in spring 2020.

#### **Wastewater Interconnect Project – Phase III, Part IV Coronado Road**

This project is from South to Central Advanced Wastewater Treatment Plants. Phase III of the project replaces underground sewer pipe along Coronado Road from Cortez Boulevard to US-41, Nelson Street from Coronado Road to Braman Avenue, east on Braman Avenue to Grand Avenue, and north on Grand Avenue to Hanson Street.

**Grand Avenue from Hanson Street to Braman Avenue will be closed to through traffic while crews rebuild the roadway.**

- Local traffic only will be maintained.
- Closure will remain in place during daytime and night time/overnight hours until work is completed.
- Through traffic to follow detour signs.
- Residents and businesses may need to access your property from a different direction.

Some sidewalks may be closed during the project. Crews are working in and near the roadway. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area. Flaggers will be onsite during normal work hours to assist motorists through the construction zone. This schedule is subject to change due to inclement weather and unforeseen underground conditions. Phase III of this project is expected to be completed in spring 2020.

**FDOT Pedestrian Safety Construction Project on US 41 from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard** entails installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- **Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and night time/overnight hours Monday through Friday throughout the duration of the project, weather permitting.**
- **Motorists should expect Golf View Avenue closed the week of January 13.**
- **Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project.**

Additional work includes: Installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have the majority of construction completed prior to moving to the next segment. Construction will begin on the first segment from Winkler Avenue to Carrell Road. Crews will work on the west side of the road initially and when that work is completed, they will shift to the east side of Cleveland Avenue/US 41. The expected project completion date is the end of spring 2022. For additional information, contact the Public Information Consultant for the project, Kris Cella, at 239-337-1071 or kcella@cella.cc. The Contractor is Ajax Industries of Florida, LLC.
