Road Watch Update

February 11 – February 17, 2021

Hanson Street Sidewalk Project

Contractors for the City of Fort Myers are scheduled to install drainage improvements and sidewalk on the north side of Hanson Street from U.S. 41 east to Montclair Avenue. The project is expected to be complete in early 2021.

Beginning Monday, February 15 at 3 p.m. motorists can expect the following closures at the listed approximate times:

Grand Avenue Closed to Through Traffic

3 p.m. to 6 p.m., motorists can expect Grand Avenue closed to through traffic from Waltman Street to Hanson Street. To access Grand Avenue motorists may use the following detour:

- Hanson Street east or west bound turn north on Calvin Boulevard; west on Linhart Avenue to Grand Avenue.

Calvin Boulevard Closed to Through Traffic

6 p.m. to 9 p.m., motorists can expect Calvin Boulevard closed to through traffic from Linhart Avenue to Hanson Street. To access Calvin Boulevard motorists may use the following detours:

- Hanson Street
 - Eastbound turn north Grand Avenue; east on Linhart Avenue to Calvin Avenue
 - Westbound turn north on Broadway; west on Linhart Avenue to Calvin Avenue

Hanson Street Closed just west of Broadway

9 p.m. to 12 a.m., motorists can expect Hanson Street closed just west of Broadway. Residential access will be accommodated during the construction work.

- To access Hanson Street motorists may use the following detours:
 - Eastbound motorists will turn north on Calvin Boulevard; east on Linhart Avenue; south on Broadway to Hanson Street
 - Westbound motorists will turn north on Broadway; west on Linhart Avenue; south on Calvin Boulevard to Hanson Street
- Motorists traveling north and south on Broadway will not be affected. Motorists wanting to turn west on Hanson Street should follow posted detour signs.

Motorists, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles working in the project area. This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information, contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to thayden@cella.cc.

Michigan Avenue Link Sidewalk

Neubert Construction will begin replacing the sidewalk on the south side of Michigan Avenue Link from Dr. Martin Luther King, Jr. (MLK) Blvd. to Zapato Avenue starting on February 8, 2021. This will involve a road closure from Michigan Ave to Marsh Avenue **February 8, 2021 through February 19, 2021**. Flaggers will guide motorists around the construction area and when there is the need to transport equipment to and from the work site.

Lafayette Street Detour

Honc Construction will be working at Truly Nolen on Edison Avenue with a required road closure starting on Monday, February 1, 2021. Lafayette Street will be closed between Cranford Avenue and Palm Avenue for a sewer main tie-in. **This closure will last for 2-3 weeks** but local business traffic will be able to access their driveways all other traffic will be detoured around the work.

Hanson Linhart, Magnolia, Holly Utility Rehabilitation Project

The City of Fort Myers is scheduled to replace water mains and sanitary sewer pipe and install some storm drainage on the following roadways:

- Linhart Avenue (Cortez Boulevard to US 41)
- Magnolia Street
- Holly Road
- McCann Street
- Maple Avenue
- Sunset Road (Linhart Avenue to Hanson Street)
- Sanders Street
- Nelson Street (Linhart Avenue to Hanson Street)
- Hanson Street (just east of Holly Road to Sunset Road and Nelson Street to US 41)

The project also includes new sidewalk on side streets and will replace sidewalk disturbed by the construction. The project is expected to be completed in early 2022.

Linhart Avenue

Crews are expected to continue work on Linhart Avenue beginning at Cortez Boulevard and work east toward U.S. 41. Linhart Avenue from Cortez Boulevard to Nelson Street will be closed to through traffic. Through motorists should follow posted detour signs. Local traffic will be accommodated.

Residents and businesses may need to access your property from a different direction. Some sidewalks may be closed during the project. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area. This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information, contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to info@fortmyersutilities.com.

Crag Street Watermain Improvements

The City of Fort Myers is installing a waterline along Crag Street between Palm Avenue and the west end of roadway. Crag Street in this vicinity is down to one lane. Motorists are to use caution. This schedule is subject to change due to inclement weather and unforeseen underground conditions.

Silver Hills – West First Street Sidewalk Closure

The sidewalk on the north side of West First Street between Altamont Avenue and Virginia Avenue will be closed **beginning Monday, January 18, 2021**. This sidewalk will be **closed for the next two months** to allow FPL work and other utilities to be completed. Please look for detour signage to lead you around the sidewalk closure.

Old Metro Parkway (SR 739) from Warehouse Road to Hanson Street - Traffic Flow Change

The City of Fort Myers in conjunction with the Florida Department of Transportation will rebuild Old Metro Parkway from Hanson Street to just south of Warehouse Road. Contractors for the project will also mill and resurface Hanson Street from the railroad tracks to just east of Old Metro Parkway. Seminole Gulf Railway plans to rehabilitate the railroad tracks on Hanson Street and on Old Metro Parkway during this work to minimize disruptions to area businesses. Crews are expected to work during daytime hours from 7 a.m. to 7 p.m. Monday through Friday. Some Saturday work may be required. The project is expected to be complete in early 2021.

Old Metro Parkway will remain a one-lane SOUTHBOUND road only for the duration of construction.

- Motorists will access Old Metro Parkway only from Hanson Street and all internal traffic will be directed south on Old Metro Parkway to Metro Parkway.

Motorists on Metro Parkway wanting to access Old Metro Parkway will be detoured as follows:

- **Metro Parkway northbound traffic** will follow the detour beginning at the Old Metro Parkway/Metro Parkway intersection north onto Evans Avenue; east (right) on Hanson Street; then south (right) on Old Metro Parkway.

- **Metro Parkway southbound traffic** will follow the detour beginning at the Old Metro Parkway/Metro Parkway intersection then south on Metro Parkway; east (left) on Winkler Avenue; north (left) on Veronica S. Shoemaker Boulevard; west (left) on Hanson Street; then south (left) on Old Metro Parkway.

Motorists, pedestrians and bicyclists should use extreme caution. This schedule is subject to change due to inclement weather and unforeseen underground conditions.

For more project information, visit www.OldMetroRebuild.com or contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via email to info@OldMetroRebuild.com.

Bay Street Utility Relocation Project

The City of Fort Myers is relocating the electric and cable lines from the overhead poles to underground on Bay Street from Hendry Street to just west of Dean Street.

Bay Street Intermittent Closures from Dean Street to Lee Street

Motorists should expect intermittent closures to vehicular traffic from 6 a.m. to 5 p.m. on Bay Street from Dean Street to Lee Street. Sidewalks will remain open during street closure. Motorists, pedestrians and bicyclists should expect delays and use extreme caution.

FDOT Pedestrian Safety Construction Project on US 41 from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard entails installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- **Motorists should expect Hanson Street closed on the west side of US 41/Cleveland Avenue.**
- **Motorists should expect Hanson Street as a Right-in/Right-out only travel pattern on the east side of US 41/Cleveland Avenue.**
- **Motorists should expect Linhart Avenue closed on the west side of US 41/Cleveland Avenue.**
- **Motorists should expect side road closures from Winkler Avenue to Victoria Ave throughout the duration of the project.**
- **Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and night time/overnight hours Monday through Friday throughout the duration of the project, weather permitting.**

Additional work includes: Installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have the majority of construction completed prior to moving to the next segment. Construction will begin on the first segment from Winkler Avenue to Carrell Road. Crews will work on the west side of the road initially and when that work is completed, they

will shift to the east side of Cleveland Avenue/US 41. The expected project completion date is the end of spring 2022. For additional information, contact the Public Information Consultant for the project, Kris Cella, at 239-337-1071 or kcella@cella.cc. The Contractor is Ajax Industries of Florida, LLC.

I-75 at Colonial Boulevard: Construction project: Crews begin construction on the I-75 at Colonial Boulevard Diverging Diamond Interchange (DDI) Project. Other improvements along Colonial Boulevard include a Continuous Flow Intersection (CFI) at the intersection of Six Mile Cypress Parkway/Ortiz Avenue and a Superstreet intersection at the Colonial Boulevard/Forum Boulevard intersection. I-75 will also be widened to provide an auxiliary lane in each direction from Colonial Boulevard to SR 82/Dr. Martin Luther King Jr. Boulevard. The off-ramps at Colonial Boulevard DDI and the northbound off-ramp at SR 82 will have emergency stopping sites.

- **Motorists should expect intermittent lane closures on I-75 and the on and off ramps at Colonial Boulevard and SR 82 (Dr. Martin Luther King Jr. Boulevard) through the duration of the construction.**
- **Motorists should expect intermittent lane closures on SR 82 (Dr. Martin Luther King Jr. Boulevard) through the duration of the construction.**

Drivers should exercise caution and be aware of construction vehicles entering and exiting the roadway through the duration of the project. The expected completion date is mid-2024. The contractor is Ajax Paving Industries of Florida.

SR 865/Six Mile Cypress Parkway from Penzance Boulevard to Daniels Parkway: Maintenance permit project: Motorists should expect southbound lane closures during daytime hours, while crews install pole lines, weather permitting. Motorists should expect slow moving traffic and possible delays. Flaggers will maintain both directions of traffic. Motorist should use caution as crews work in the roadway.

SR 80/Palm Beach Boulevard from Riverside Drive to US 41: Maintenance permit project: Motorists should expect intermittent westbound lane closures during nighttime/overnight hours from 7 p.m. to 6 a.m. while crews replace power poles, weather permitting. Motorists should use caution and expect delays.

State Roadways (US 41, SR 31, SR 78, SR 80, SR 82, SR 739, SR 865 and SR 867): Maintenance contract project: Crews are sweeping curb and gutter on state roadways and bridges. Motorists should expect lane closures during nighttime/overnight hours from 7 p.m. to 5 a.m., weather permitting. Motorists should expect slow moving traffic and possible delays.

State Roadways (US 41, SR 31, SR 78, SR 80, SR 82, SR 739, SR 865, and SR 867): Maintenance contract project: Crews are restriping the state roadways and bridges. Motorists should expect lane closures during nighttime/overnight hours from 7 p.m. to 5 a.m., weather permitting. Motorists should expect slow moving traffic and possible delays.
