Business Incentives 2021 Fort Myers, Florida

Economic Momentum in Fort Myers

Fort Myers is headed in the right direction for growth and sustainability. Lee County has seen the job market increase by 1.9% in 2020 and future job growth over the next ten years is predicted to be 41.6% which is higher than the US average of 33.5%. We have seen household numbers increase with better incomes and more access to workforce in our area.

There are great opportunities in the City of Fort Myers to take advantage of our steady growth.

- Work Opportunity Tax Credit reduces employer’s federal tax liability up to \$9,600 per new hire, depending on the target group.¹⁸
- CareerSource Quick Response Training Program¹⁹
- CareerSource Upgrade Employee Skills Grant²⁰
- Business Incentives to spur investment and fuel job growth.²¹
- Commute Connector offers incentives to employers and employees to ride share and make smart commuter choices.²²

Fort Myers economic development strategy encourages job attraction and retention in several ways:

- Attainable Housing and currently offering rental assistance.²³
- Living wage jobs
- Well-functioning, modern transportation infrastructure requires transportation strategies to reduce the number of commuter trips and improve traffic congestion. More importantly our strategy is to improve the quality of life for our workforce with a more compact development pattern.
- An attractive city to many industries and welcoming to all.

Understanding the Development Opportunities

The City of Fort Myers encourages private sector investment in sites and buildings and has a proven track record in public-private partnerships. We continue to invest in infrastructure that maintains your ability to operate a successful business. Our growth in population provides a wealth of workforce and our business climate, affordably priced housing provides a solid framework to meet the needs of your organization and team.

Consider working with our local trades for your development.²⁴ Construction is one of our leading industries and provides your project qualified and dedicated workers.

The City of Fort Myers has taken action to prepare for smart growth in our region. Your connection to the internet is high speed, your housing choices are excellent, and the city provides a clean, sustainable environment. We continue to invest in our roads, water and sewer connections, to support development and provide excellent services to our residents. Enjoy the views while you work in one of the fastest growing cities, with palm tree charm, and a welcoming community.

Positive Change in the Community

The best business incentive is to improve the lives of the residents of Fort Myers. Business is the backbone of our community. Organizations provide a wealth of experience and connections to support area businesses and we encourage collaboration within our local economy. The best way to ease poverty is decent and productive work. We have 13,968 households above \$50,000 in household income. We want to bring the other 16,283 household to a higher income as well. That is why we support the continued success of development in our region. It is good for your business, and it is good for the people in Fort Myers. Thanks for bringing positive change to our region.
