ACKNOWLEDGEMENT OF EXEMPT STATUS OF RECORDS

Plans for City of Fort Myers Water Treatment Facilities are exempt from public disclosure under Florida Statute 119.071 (3)(b). I hereby acknowledge that I am an authorized recipient of the records under Florida Statute 119.071(3)(b)(3), and further certify that I shall maintain the exempt status of the records in accordance with Florida Statute 119.071(3)(b)(4).

City of Fort Myers Ordinance SEC. 102-83 will provide additional GIS and asbuilts requirements that the City may require on top of State requirements.

Note that record drawings, preliminary record drawings, GIS, and/or construction drawings are for informational purposes only. **Field verification is required.**

Checking this box certifies that you have read and understood the above statement.

Should you have any questions or require assistance, call our office at **(239) 321-7445**.

City of Fort Myers- Utility/Engineering will typically respond within 1-2 business days with digital scans of the record drawings, preliminary record drawings, and/or construction drawings pertaining to the area of the request. We will also provide a GIS map of the available utilities in the requested area. Please note the City of Fort Myers does not 'mark up' plans for private development with the depicted location of County-owned infrastructure.
